

The UK ... is an island!

Primary care (GP) data - for all research

Note that the GP data available for all research covers a total of approximately 45% of the UK Biobank cohort. The coverage dates are based on the value of the field event_dt (event date) in the gp_clinical table.

GP dataset	Data provider	Participant coverage (approx.)	Coding systems	Period of data currently available	Censoring date
England	TPP	165,000	See Resource 591	1938 onwards *	31 May 2016
	Vision	18,000	See Resource 591	1940 onwards *	31 May 2017
Scotland	Vision/EMIS	27,000	See Resource 591	1939 onwards *	31 March 2017
Wales	Vision/EMIS	21,000	See Resource 591	1948 onwards *	31 Aug 2017
